I have a problem with my japanese version and i also have problems when playing the game of features. Everything looks fine, but at the time when the game starts it stops at the place where the title screen is supposed to show up. I downloaded some file packs from the website but none of them worked. Hey guys, sorry for the late reply. I also have a problem with my japanese version. I downloaded this version because PESX's license is revoked this year. I also have problems when playing the game of features. Everything looks fine, but at the time when the game starts it stops at the place where the title screen is supposed to show up. I also have the problem with the audio and video rights. I'm from Japan, i'm sorry for the late reply. I'm not sure what i'm going to do because i got this game few days ago ( 2 years ago). factors in gastric cancer]. The aim of this study was to examine the prognostic factors of gastric cancer based on the analysis of paraffin-embedded primary tumors and to determine the most important prognostic factors in gastric cancer. The prognostic factors of gastric cancer were examined from the paraffin-embedded blocks of primary tumors obtained from 127 cases of gastric cancer. The tumor factors, i.e., depth of invasion, lymphovascular invasion, and the histological differentiation (well- and poor-differentiated tumors) and the host factors, such as the preoperative nutritional status and the perioperative blood loss were studied. The postoperative survival rate was then determined. The 5-year survival rate was approximately 27%, and the average survival period was approximately 61 months. The prognosis of well differentiated tumors was significantly better than that of the poorly differentiated tumors (p
