Update: May 18th, 2021: Update. Since the PS5 is due to arrive this holiday season and it has been nearly two years since the PS4 came out. Unfortunately, there are only a few PS5 games available at the moment of this article being published, but that should change over the next month or so. Control the battlefield and execute ruthless combat maneuvers in the brand new PlanetSide 2 mobile app. Through a free trial of the game's upcoming PS4 expansion, Battlefield 1, players can unlock the new mobile app for download via PlayStation App on PS4 — the only way to play the expansion offline from the PS4 version on mobile. Although the PS5 is dominating headlines in 2021, the PS4 is still receiving tons of content. This is especially true when it comes to the PlayStation Store, which continues to push indie titles and retro classics alike. Now, more than ever, there is an abundance of small PS4 games available to download, meaning you can jump into a new game session faster than ever. Thanks to this constant stream of new releases, there are even more bite-sized adventures to
